

THEMATIC PLANNING FOR TC
FRUIT FLY CONTROL OR ERADICATION

LESSONS LEARNED:

Findings and recommendations from
field evaluation.

TCCPS/1999-11-12
Slide 1

THEMATIC PLANNING FOR TC
FRUIT FLY CONTROL OR ERADICATION

LESSONS LEARNED (continued):

Projects should not be initiated without resolving significant
ambiguities:

- Firm Government commitment
- Financing (short and long term)
- Actual assessment of national infrastructure
- Training needs
- Work plans

TCCPS/1999-11-12
Slide 2

THEMATIC PLANNING FOR TC
FRUIT FLY CONTROL OR ERADICATION

LESSONS LEARNED (continued):

Improve communication amongst stakeholders:

- Steering committee
- Technical advisory committee

Field expert highly recommended

TCCPS/1999-11-12
Slide 3

THEMATIC PLANNING FOR TC
FRUIT FLY CONTROL OR ERADICATION

LESSONS LEARNED (continued):

- Government policy needs to be more precisely defined if export plans are going to be developed
- Studies on the *Anastrepha* complex should be initiated

TCCPS/1999-11-12
Slide 4

THEMATIC PLANNING FOR TC
FRUIT FLY CONTROL OR ERADICATION

LESSONS LEARNED (continued):

- Project documents are essential for complex, multi-year project

TCCPS/1999-11-12
Slide 5

THEMATIC PLANNING FOR TC
FRUIT FLY CONTROL OR ERADICATION

LESSONS LEARNED (continued):

Moving away from “traditional” technology transfer:

- Reducing equipment inputs
- Increasing economic & technical feasibility surveys
- Strengthening guidelines for project planning and design
